Summary Report of Remedial Classes Conducted in AY 2016-17 Sem I

The objective of remedial teaching is to give additional help to students who, for one reason or another, have failed to clear subjects along with the rest of the class.

GRIET ECE Department has conducted remedial classes to students with faculty who are experts in the particular subjects. The students were intimated about remedial classes through a phone call/message from their respective mentor. Expert subjective faculty will provide tips as well as study material for them which would be useful for them to clear the exam. Around 60-70% of students who have attended got benefitted and they passed in the exams

The classes are aimed to help the students who are having a maximum of three backlogs so that they will get the degree as per the academic calendar. Final Year Students preferred material and few tips from subject experts as they were busy in Projects for some subjects they have attended they have attended the classes

The sessions for II and III Year subjects are conducted to prevent failure rate and thereby increasing transition rate. The subjects are selected based on I Semester results. To increase attendance for the classes a brief motivation lecture is organized with the key note address by HOD. The following table shows the courses for which Remedial Classes were held for the AY 2016-17 and the Transition rate in such course is as follows:

		2016-17(Sem I)		
S.No	Course	No of students attended	No of students Passed	Transition rate
1	PTSP	92	67	72.82
2	Signals & Systems	91	73	80.21
3	AWP	69	54	78.26

The ultimate aim of remedial teaching is to help pupils who have fallen behind to learn to the best of their ability and to bring them back into the mainstream classes as far as possible.
